Summer Compensation
Do we have a special deal for you!

Available for the summer of 2017 only!

Operators are standing by!
Departments fill out the form, but...

Workday data entry will be done CENTRALLY!!!
- The form is available on the policies and procedures website: [https://your.yale.edu/policies-procedures/forms](https://your.yale.edu/policies-procedures/forms)
- Start submitting as soon as you have all the necessary information!
- Please use the form from PPDEV as it is possible there will be future revisions as we get more experience with Workday
NOTES ON THE FORM

- Please be sure all red-starred fields are complete.
- We need the full name of the Summer Compensation supervisory org. In the unlikely event your department doesn’t have one, you must set one up before you can submit this form.
NOTES ON THE FORM

**FUNDING:** If the allocation is charged to a grant, you only need to enter the Grant code (GR#####) and can skip the other charging instruction fields. All other funding codes (gifts, Yale Designated, endowment) will need complete charging instructions entered: Cost Center, Program, Project. For cost-sharing, you’d enter both the GR and other funding code as well as the rest of the charging instructions.

**JULY (or AUGUST) AMOUNT:** This is the amount you are going to pay the person.

**ALLOC %:** This is where you enter the percentage of the July Amount you want to allocate to this charging instruction line.

**AMOUNT:** Right now the spreadsheet is set up to calculate the dollar amount as a function of the number you enter into “July Amount” and the “Alloc %” fields. If you need to allocate based on a fixed dollar amount, simply overwrite the formula in the “Amount” column and manually add the percentage allocation in the “Alloc %” column.

You must complete both the Alloc % and Amount columns and be sure to allocate 100% of the payment amount.

**FRMS REVIEW:** This field is for FRMS staff to indicate they have reviewed and validated the cost allocations.
**NOTES ON THE FORM**

- Please be sure to complete preparer information.
- Note that if you are changing funding source groups, you must obtain fresh approvals from the Provost’s Office.
There is a “Tips” tab in the Excel workbook that summarizes key points in this presentation.

- We must verify the identity and employment eligibility of every employee hired after November 6, 1986.

- The Form I-9 must be retained for inspection; after termination, we must retain the Form I-9 until 3 years after the date of hire or 1 year after the date of termination, whichever is later.

- We must refrain from violating or circumventing the Form I-9 process, including anti-discrimination requirements of the law, or we may be subject to civil and/or criminal penalties.

I-9’s (con’t)

- ALL faculty must complete an I-9 any time after the offer of employment has been accepted but before the end of the first day of employment.

- It must be reviewed and approved no later than the third day of employment (e.g. end of day Thursday if the employee started work Monday).

- They complete it in Workday. Then, bring their credentials to a Yale I-9 Center for official approval.

Terminating faculty in Workday

• Need resignation letter if leaving before original end date.

• Begin by using the “Terminate Employee” business process. Once approved, you will receive a To Do to end the academic appointment(s).
  
  • If the faculty member has appointments in other departments, notify those departments of the departure.

• The Termination Date = Last Day of Work

• If you receive an error, contact OFAS. There may be a process that is blocking.

• Always close the position.
Important tips for faster approvals

All transactions require supporting documentation. Refer to Charts online at http://facultyadmin.yale.edu/admin-processes.

• Gather all of the necessary documents as stated on the Chart and submit to OFAS upon submission to Workday.

• Please DO NOT SUBMIT in Workday unless you have all of the documents.

• Secondary appointments – You need an email or letter of approval from the FAS department chair or authorized school dean.

• Format the subject line of the email as follows:
  
  – **Faculty name, transaction type, effective date**
  
  • E.g. Thomas Turbine, New Hire, 7/1/16
